

Welcome!

To help you enjoy your time in Bloomsburg, this brochure lists the many stores, services, cultural opportunities, and dining and beverage options in our downtown.

This information is provided by Downtown Bloomsburg, Inc., a non-profit organization dedicated to a vibrant downtown. Our organization works with the Town of Bloomsburg, local businesses, and other partners to provide opportunities for people to gather in the downtown and for businesses to be successful. While we are proud of the community, we look forward to new offerings and enhancements well into the future.

In addition to the businesses and organizations listed in this brochure, there are numerous special events and activities in the greater Bloomsburg area throughout the year. Visit www.DowntownBloomsburg.org or like Downtown Bloomsburg, Inc. on Facebook for details on downtown events.
